### WEDDING CONTRACT AND BOOKING FORM

**This agreement is between WAW Management Ltd trading as Alliance Wedding Photography and \_\_\_\_\_ . This forms part of the contract to be entered into between you (the Client) and Alliance Photography.**

1. This agreement and booking form contains the entire understanding between Alliance Wedding Photography and the Client. It supersedes all prior and simultaneous agreements between the parties. Only those changes or modifications specifically placed in writing, attached, dated and signed by the Clients and Alliance Wedding Photography at the time of acceptance of this contract shall be recognised as amendments to this contract.

#### **Price & Payment**

2. The price for the Services will be dependent upon the package required by the Client and which Alliance Wedding Photography agrees to provide.

3. A Booking Fee of 25% of the total agreed fee is required at the time of booking.

4. Upon receipt of the Booking Fee **and** the signed agreement and booking form, Alliance Wedding Photography will reserve the time and date agreed upon, and will not make other reservations for that time and date. For this reason, the Booking Fee is non-refundable, even if the date is changed or the wedding cancelled for any reason; including acts of God, fire, strike and/or extreme weather.

**The Booking Fee is to be paid at the time of signing this agreement.** The Booking Fee is applied towards the agreed wedding photography package. Dates are reserved only when this fee is paid.

5. The Client understands and agrees that the balance of the wedding photography package is payable **four weeks before the date of the wedding**. In the event that the balance is not paid four weeks prior to the wedding, Alliance Wedding Photography reserves the right to cancel the contract and the cancellation provisions set out below will apply.

#### **Creative Licence**

6. The Photographer will document the events in a candid manner and take formal portraits as necessary. The Client should provide a full list of formal photographs required including names and relationship to the Client.

7. Prior to or during the event, the Client may inform the photographer of subjects which they would like photographed, but the final content of the images, in relation to the choices of location and poses used, is at the discretion of the photographer.

8. Although every possible care will be taken to honour requested photographs of all important and special events during the wedding, Alliance Wedding Photography cannot place an unconditional guarantee on the above. Due to changes of the weather and the availability and willingness of subjects, Alliance Wedding Photography does not undertake to guarantee specific pictures nor to incorporate any specific background, location or group arrangement.

9. The photographer is limited by the guidelines of the ceremony official or the reception site management. The Client agrees to accept the technical results of their imposition on the photographer. Negotiation with the officials for moderation of guidelines is The Client's responsibility; Alliance Wedding Photography will offer technical recommendations only.

### **Exclusivity**

10. Alliance Wedding Photography will be the only professional photographer on the day of the wedding. Alliance Wedding Photography reserves the right to ask other people to refrain from taking photographs at key times, if it is considered that this may compromise the quality of the photographs.

11. Alliance Wedding Photography will not tolerate any level of verbal abuse or aggression. Either will result in the immediate suspension of coverage.

### **Use of Images**

12. The Client will receive an edited selection of high-resolution JPEG digital images. The entire copyright of the photographs is retained by Alliance Wedding Photography at all times throughout the world. The Client must seek permission for use beyond reproduction and printing for friends, guests and family.

13. The Client hereby allows Alliance Wedding Photography to display any images covered by this agreement and to generally promote The Company by means of advertising, publicity material, websites, exhibitions, competitions, magazine articles and other such media, providing that the images are used lawfully and without damage to the Client.

14. The Client understands that no photographs will be released until six weeks after the wedding date.

## **Limitation of Liability**

15. Alliance Wedding Photography takes the utmost care with respect to exposure, transportation and processing of photographs. However, in the unlikely event of the Client's photographs being lost, stolen or destroyed for reasons within or beyond Alliance Wedding Photography's control, the company's liability is limited to the return of all payments received for the event package, together with the reasonable costs of restaging photographs of the couple and their guests at a later date.

## **Cancellation**

16. If Alliance Wedding Photography has to cancel this contract for reasons beyond their control (severe medical, natural, or other emergency), it may be necessary to retain an alternative photographer. Alliance Wedding Photography will make every effort to secure a replacement photographer of the same professional standing and ability who is able and/or willing to provide a similar package as chosen in this agreement at the same/similar tariff. If such a situation should occur and a suitable replacement cannot be found, responsibility and liability is limited to the return of all payments received.

17. In the event that the Client cancels the Services outlined in this agreement prior to the wedding ceremony, the booking fee will be forfeited. In addition, as compensation for loss of income for Alliance Wedding Photography, the following charges will also apply as a percentage of the total fee due, dependent upon the number of days before the wedding that cancellation occurs:

60 days or less – 100%

61-90 days – 75%

91-120 – 50%

18. Should the cancelled wedding turn out to be a postponement, then, subject to the availability of Alliance Wedding Photography, all money paid will be applied to the new wedding date. In this case, the total fees chargeable will be the fee which applies at the time of rebooking.

## **Governing Law**

19. If any provision of this agreement is held to be invalid or unenforceable under the law, the validity of this agreement as a whole shall not be affected, and the other provisions of the agreement shall remain in full force and effect.

## **Data**

20. Your data (including images) are held on external hard drives and stored in the cloud. All images are kept for 12 months. After this time we will not be able to provide copies of any images.

## **Contract (Rights of Third Parties) Act 1999**

The Contract (Rights of Third Parties) Act 1999 shall not apply to this contract.
